PLANNING

Planning and Development Act 2000 (as amended). Notice of Direct Planning Application to An Bord Pleanála in Respect of a Strategic Infrastructure Development in County Wexford in accordance with Section 182A of the Planning and Development Act 2000, (as amended), Kilmannock Battery Storage Limited gives notice of its intention to make an application to An Bord Pleanála in relation to the following proposed development in the townland of Great Island, Kilmokea, Co. Wexford. The proposed development will constitute the provision of the following: Construction of an electrical infrastructure installation and associated underground grid connection (UGC) on lands within the townland of Great Island measuring approximately 2.58ha, 25812 square metres in overall area. The installation would consist of a 110kV tail-fed substation and underground grid connection measuring approximately 838m in overall length. The 110kV substation would consist of a 110kV transformer, house transformer, disconnect, individual current and voltage transformers, combined current/voltage transformer, surge arrestors, circuit breakers and cable sealing end; a blastwall measuring 8.00m in overall height; 4no. lightning masts measuring 18.00m in overall height; palisade fencing measuring 2.60m in overall height; pole-mounted security cameras and lamp posts. An Eirgrid substation building with an overall footprint of approximately 180.00sqm and overall height of 8.21m would be located at the western end of the substation area. An IPP substation with an overall footprint of 132sqm and height of overall 7.33m would be located at the eastern end. The typical UGC installation would consist of standard CSB ducting details of the following: 1no. trench (0.82 m wide ; 1.31 m deep) measuring approximately 535 m in overall length to carry 3no. 150 mm power ducts and 2no. communication ducts and an ECC duct, connecting the proposed substation to an existing 110kV Eirgrid substation at Great Island. The typical trefoil trench will need to be adapted to a flat formation to accommodate for any service crossings encountered along the route. A typical width of trench for a flat formation trench would be approx 1.60m with varying depths. A temporary construction compound would be constructed within the site boundary for construction phase of the development, after which it would be removed. The planning application may be inspected free of charge or purchased on payment of a specified fee (which shall not exceed the reasonable cost of making such a copy) during public opening hours for a period of seven weeks commencing on January 25 2024 at the following locations: • The Offices of An Bord Pleanála, 64 Marlborough Street, Dublin 1, D01 V902; and • Wexford County Council, Planning Department County Hall, Carricklawn, Wexford, Y35 WY63. The Planning Application may also be viewed or downloaded on the following website: kilmokeagreatislands.substation.ie. Submissions or observations may be made only to An Bord Pleanála (‘the Board’), 64 Marlborough Street, Dublin 1, D01 V902 (and may also be made online at www.pleanala.ie) during the above mentioned period of seven weeks relating to: I. The implications of the proposed development for proper planning and sustainable development; and II. The likely effects on the environment of the proposed development; and
